# CONTAINERSHIP FIRES

An Evening Lecture

Monday 6 September 2021 at 17:30 for 18:15

**On board HQS WELLINGTON**

(with an option to attend via Video Conference)

**Speaker: Nick Haslam – Partner, Brooks Bell**

Nick Haslam joined Brookes Bell as Partner in March 2019 after 22 years in the marine consultancy industry. As a very experienced salvage Special Casualty Representative (SCR), he has a deep insight into the problems encountered during and after container ship fires.

Please use this link to register for the video conference: <https://www.hcmm.org.uk/events.html>

Non-HCMM members should create a guest account, which will remain for future meetings.

Please check spam / “promotions” folders for the subsequent email.

However, as this is the first opportunity to attend a joint meeting in person since March 2020, we would be delighted to see you on board - the newly refurbished Wardroom bar will be open before and after...

**HQS WELLINGTON** (020 7836 8179) is berthed at Victoria Embankment, near Temple tube.

**Please circulate this notice.**
