Safety 4 Sea 13th August 2026

Industry groups urge stronger collision prevention measures across ports & terminals

<https://safety4sea.com/industry-groups-urge-stronger-collision-prevention-measures-across-ports-terminals>

The article covers the joint work by **PEMA, TT Club and ICHCA International** on collision prevention, including their push for wider adoption of non-contact collision-prevention technologies and stronger safety requirements.

Forklift Action 27th August 2026

Brisbane AutoStrad - more than 20 years of automation in motion

<https://www.forkliftaction.com/news/brisbane-autostrad-more-than-20-years-of-automation-in-motion.aspx?n=34680&utm>

This reports on a tour organised by **ICHCA's Australian chapter** of Patrick Terminals' Brisbane AutoStrad facility, discussing more than 20 years of automated straddle-carrier operations and improvements such as reduced truck turnaround times.

World Shipping Council 26th August 2026

CTU quick codes available in 6 different IMO Languages

<https://www.worldshipping.org/news/ctu-code-quick-guide-now-available-in-all-six-official-imo-languages?utm>

Joint Cargo Integrity Group statement from ICHCA, WSC, TT Club, Global Shippers Forum and Container Owners Association. The CTU Code Quick Guide and Container Packing Checklist were made available in Arabic, Chinese, English, French, Russian and Spanish.
